The Twelve Swaps of Christmas

1.

Swap tape for reusable string when wrapping presents.

2.

Swap Christmas pudding in plastic for one in muslin you can reuse.

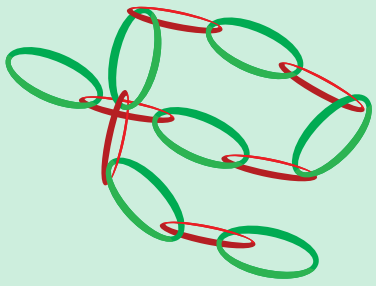
3.

Swap plastic wrapped sweets for plastic free treats as stocking fillers.

4.

Swap from cling film to reusable wrap for Christmas leftovers.

5.



Swap from tinsel to paperchains to decorate the Christmas tree.

6.

Swap from plastic wrapped multipacks to loose vegetables.

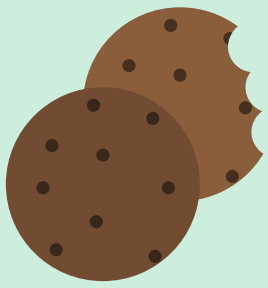
7.

Swap from new plastic decorations to ceramic or glass.

8.

Swap single use presents for gifts such as a reusable coffee cup.

9.

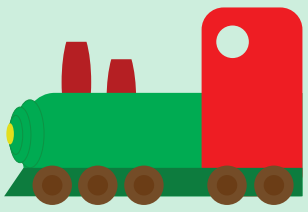


Swap from shop bought snacks to homemade treats.

10.

Swap from Christmas crackers to small gifts on the table.

11.



Swap from plastic children's toys to wooden for Christmas gifts.

12.

Swap from patterned wrapping paper to recyclable brown paper.

Together, we can make plastic pollution a thing of the past.
