

# CAREERS NEWSLETTER

Issue 2 March 2021

Hello Students, Parents and Carers,  
Welcome to the 2<sup>nd</sup> Issue of the Careers Newsletter. There is such a lot of information on careers that sometimes I feel that I am sending out too much and overwhelming the students, particularly the Year 11 and 6<sup>th</sup> form students. If you have any comments, advice or feedback on this then please do not hesitate to let me know. One of the most exciting opportunities that we have ever had is the Virtual Work Experience from Medic Mentors who are offering it on Dentistry, Veterinary and Medical. The students take part in it one Saturday per month for the duration of 6 months. I have given information out to the Year 10, Year 11 and 6<sup>th</sup> form students today in tutor time. Students need to apply online with the consent of their parents/carers.
