

CAREERS NEWSLETTER

Issue 3 March 2021

Hello Students, Parents and Carers,

Welcome to the 3rd Issue of the Careers Newsletter.

It is a really exciting week for all of Oxfordshire schools, as we are launching our very first Virtual Careers Fair **FIND YOUR FUTURE**. I had the opportunity of being on the working party with OxLEP, and with a lot of hard work and collaboration we have managed to get together 100 businesses, employers and training providers to be part of this extravaganza of careers. Each attendee has their own Pod with resources to answer all of your questions. There will be a point of contact email, not a generic one, so you will be able to contact the relevant person.

It is being launched on Thursday 25th March at 4pm and will be available for everyone to access for the next 12 months. Please encourage your sons and daughters to participate. There is a wealth of information, opportunities and resources available for all ages.

UNIFROG

This is our brilliant Careers Platform where there is a wealth of information on careers, apprenticeships, colleges and universities. There is a CV builder, a place to log your skills, a personal statement builder and much much more. To access Unifrog, you should have received an email into your school emails. If you cannot find it then please type Unifrog into the search bar, click on forgotten password, then input your school email address and submit. Now open your school email and find the email from

Unifrog. Click on the link create new password, make a password and now you should be good to go. Any problems, please do not hesitate to contact me.

Indigo Careers

Each month, one of the 650 career pathways featured within Indigo is featured in a short film with a list of key facts. Featured so far this year have been chef, SEN teacher and vet.

Click on the link below to access the website and read through some exciting careers <https://indigo.careers/category/career-profiles/>

If there are any students who are interested in more information about the RAF, and all the different careers they offer, can you please submit names to me by Wednesday 21st April so I can arrange a visit with an RAF Professional. This will take place after Easter. I have at the moment students who are interested in Logistics and being a Pilot.

WORK EXPERIENCE

SPEAKERS
for schools
EXPERIENCE

There are still many opportunities for students to gain experience and more knowledge by accessing these virtual work experiences. This will look good on your CV, especially as we have been unable to send students out on work placements this last year. You can also do taster sessions/mini courses on Unifrog. Look at the tool MOOC

MOOC

Career and Post 16 Interviews

I am making appointments to see students in Year 11 to discuss their post 16 options. I am giving them an appointment card and I have around an hour to see them. So far I have seen 55 students. I am trying to see around 4 per day so I will complete the cohort after Easter. Please do not hesitate to contact me if you have any questions. MY direct line is, 01993 867255 or jmustoe@carterton.oxon.sch.uk

Students going to College after Year 11

If you have applied to go to college, whether it is A&W, City of Oxford or Cirencester, if you are a student who attains level 4 or above you must be applying for Level 3 courses. You are already studying Level 2. Please come and see either myself or Mr. Taylor if you are unsure.

GCSE – Level 2
A Levels – Level 3

Apprenticeships

Intermediate Level 2
Advanced Level 3
Higher Level 4 +
Degree Level 5 to 7
