

CAREERS NEWSLETTER

Issue 5 April 2021

Hello Students, Parents and Carers,

Welcome to the 5th Issue of the Careers Newsletter. There is lots going on even though we are not able to have visitors in school, we will be having some virtual workshops, one starting this Thursday with the Year 12 students with Trinity College Oxford. If there is anything you would like to see in this Careers Newsletter then please do not hesitate to let me know. I would like to introduce you to one of our new partners, LearningLive. Please access their website using this link. We have started our school page where resources will be uploaded and there are video links to employers and a chat box where students can ask questions. Students need to create a username, please do not use surnames or emails in the username. First name is all that is needed.

We have a new Careers Club starting. Please see newsletter for more details.

If you ever have any questions regarding Careers or exams, then please do not hesitate to contact me.

Jackie Mustoe

Careers Lead and Exams Manager.

Have you accessed UNIFROG yet? If not, why not?

There is so much information you can access as well as free courses MOOCs. These are the instructions to access Unifrog. You must be able to access your school emails to receive the link.

Type Unifrog into the search bar, click on forgotten password then add your school email and click on submit link. Go now to your school email and find the email from Unifrog, check your spam/junk folder. Click on the link and then create new password. You should now be able to access Unifrog.

Link to Carterton Community College Careers Page:

<https://learnliveuk.com/partner/carterton-community-college/>

As this is a new partner we do not have a lot of resources on the website yet but items will be updated and uploaded, however, if you scroll down the page you will see Employers in Oxfordshire. You can click on the individual video and learn about different careers from different employers and employees. Learn about the different pathways into these industries.

There are 125 opportunities listed including:

Apprentice Plumber, Apprentice Carpenter, Apprentice Administrator, Apprentice Business and many more. Why don't you sign up for their newsletter?

Interested in Banking?

Please see communication below from HSBC

Interested in a career in Banking & Finance? How does the idea of working for Europe's largest bank sound? On May 5th from 5pm - 6pm, we'll be hosting an online webinar event with HSBC as they will be letting us know all about their UK-wide Summer Work Experience and Apprenticeship opportunities.

With more than 200,000 employees and offices worldwide, HSBC is one of the world's leading international banks.

HSBC offer roles across all of their major business areas, including retail, private, commercial and investment banking, as well as jobs in operational and support functions such as audit, compliance, risk management, legal, finance, human resources and technology.

If banking and finance is something you think you might be interested in, this event is for you!

The online event is open to: Y11 / S4, Y12 / S5, Y13 / S6 & Y14.

If you'd like to apply to this exclusive event, please click on the registration link below.

Registration Link:

<https://www.research.net/r/HSBC-UK>

We look forward to seeing you at this event! If you have any questions, please let us know.

Due to COVID and students missing out on school for such a long period, it is becoming necessary to do a few things out of the school day. I am looking to start up a Careers Club after school, from 2:45pm to 4pm. This is for any Year Group. If you are interested in joining then please let me know by sending me your name by email. I will then email you to the start date. jmustoe@carterton.oxon.sch.uk

Virtual Work Experience in the NHS

Some of our students are participating in the MedicMentor Virtual NHS work experience for allied health careers such as:

- Nursing
- Midwifery
- Paramedicine
- Physiotherapy
- Occupational Therapy
- Dietetics
- Radiography
- Prosthetics and orthotics
- Speech and language therapy
- Osteopathy
- Pharmacy and now includes
- Podiatry too!

The next work experience day will be taking place on Sunday 6th June 2021

This programme is available to support all of our aspiring healthcare students as an alternative to in-person NHS work experience during the pandemic.

During the work experience day, students will follow 2 patients from their initial presentation to recovery. Students will observe the healthcare professionals as they interact with the patients and also each other. Students will have an opportunity to ask questions and gain knowledge through teaching.

This will help students to make an informed career decision as well as learn about how healthcare professionals work together as part of a multidisciplinary team. Each work experience day is completely different and students will be able to build on their knowledge of NHS careers as they see different patient cases and their healthcare professionals work in a variety of settings, such as hospital and community.

You can learn more and students can register for the programme here:

<https://alliedhealthmentor.org/nhs-healthcare-careers-virtual-work-experience/>

Students will receive certificates as evidence of having participated in the work experience programme. Students can register individually through the website link above. There is no charge. Please put in the password "Carterton" If schools wish to register students onto the programme, you can do this via the website, and if you require assistance please email admin@medicmentor.org. or please do not hesitate in coming to see me.

6th Form Students

Please can you inform me of your destination choices. If you do NOT have a destination can you please come and see me as a matter of urgency.

Year 11 Students

I have seen the majority of students but there are still 17 students to see. If you would like an urgent appointment then please do not hesitate to contact me.

Year 12 Students

Oxford Brookes are putting on a Virtual Summer School which gives students in Year 12 the opportunity to discover what being at University is all about. Students will take part in taster sessions, as well as get the opportunity to attend Q and A's with academics, join social events with virtual "flatmates" and get personal statement support. Please apply here. [Summer School](#)

Oxford Brookes have recorded a series of online subject taster lectures which aim to help students make decisions about their next steps. The videos and playlists have been prepared especially for A-Level and BTEC students and are available without needing a sign in. The sessions are 30 minutes long and all include question and answer sessions. [videos and playlists](#)
